Service Provider: **Kilcroan National School Afterschool CLG 783061**

Name of Parent:_____

Name of Child:_____

It is agreed that the above child, who is eligible for a subsidy under the National Childcare Scheme, will avail of childcare services as follows:

School Age Childcare – After School Service

These services will be delivered for **38 weeks in term time, from 1st September 2025- 25th June 2025**, subject to each party giving the other two weeks-notice if they wish to terminate the place.

The fee for this service (as set out in the service's published schedule of fees and taking account of any applicable discount) is €**5 per day**.
Your child will attend a total of _____ days per week.
The parent has been awarded a subsidy for _____ hours per week.

The hourly subsidy rate for which the child is eligible is _____ per hour, that is, a weekly total of €_____.

The weekly fee that will be charged to the parent at the date of this agreement will be €_____.

The National Childcare Scheme subsidy will be offset in full against the childcare fee. If the subsidy to which the child is entitled increases or decreases, the fee charged to the parent will be revised to reflect the change in subsidy.

Parent signature: _____

Service Provider signature: Cian Boyle Date:_____

Note: If the service provider increases or decreases the childcare fee, or if the parent chooses to avail of a different level of service, a new agreement must be signed.

The agreed days attending and fees to be paid are confirmed for **the entire first term of September 1st 2025 to December 19th** 2025 and can only be revised with two weeks' notice to the provider.

Please note that, under the rules of the National Childcare Scheme, if the child persistently attends for fewer hours than the number of hours subsidised, the registered hours must be reduced. This will result in a reduction in the subsidy and a consequent increase in the fee charged. Please also note that, under the rules of the National Childcare Scheme, if the child is absent for four or more weeks this must be reported by the provider and the subsidy will be suspended by the Scheme Administrator. The Scheme Administrator will continue to pay a subsidy for absences beyond four weeks in certain special circumstances (see www.ncs.gov.ie for more details).
